

THE 27TH ANNUAL ECHO® INTERNATIONAL AGRICULTURE CONFERENCE

NOVEMBER 19, 2020
ONLINE - WORLDWIDE

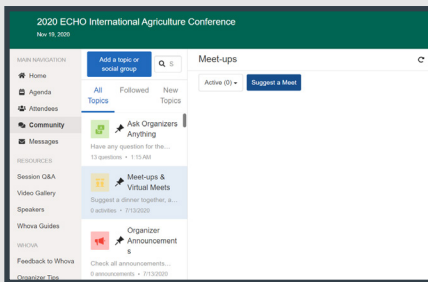

WHOVA WEB APP

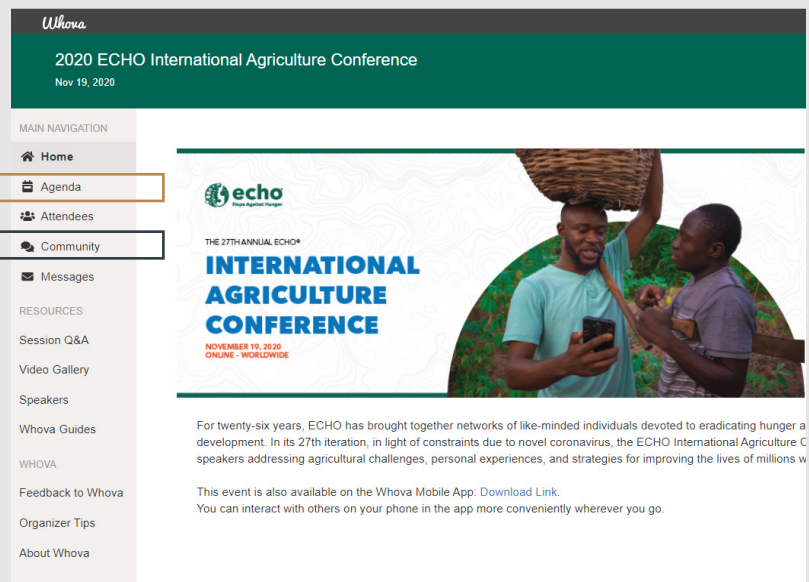

For those who would prefer to participate through a laptop or desktop, ECHO's Online Conference is easily accessed through Whova's Web App.

The **Agenda** is where you access:
Plenary Sessions
Lightning Talks
Breakout Sessions
If you are lost, go to the **Agenda**

The **Community** is where you:
Start a conversation topic
Post questions prior to plenary and breakout sessions
Suggest a virtual meet with other attendees
If you want to connect, go to **Community**

Whova's Web App is available on both laptops and desktops. If you feel more comfortable using a computer, or do not have a smart phone, this is the best option for you!

Whova's Web App gives you access to all the video sessions for conference.

All the networking features are available on the web app except for the photo gallery. If you are interested in posting photos, you will need to do so on the mobile app, which is available for iPhones and Androids.

Register and log in today to take advantage of all the networking features. These are available right now for you to access!
