

# THE 27TH ANNUAL ECHO® INTERNATIONAL AGRICULTURE CONFERENCE

NOVEMBER 19, 2020  
ONLINE - WORLDWIDE

## WHOVA MOBILE APP

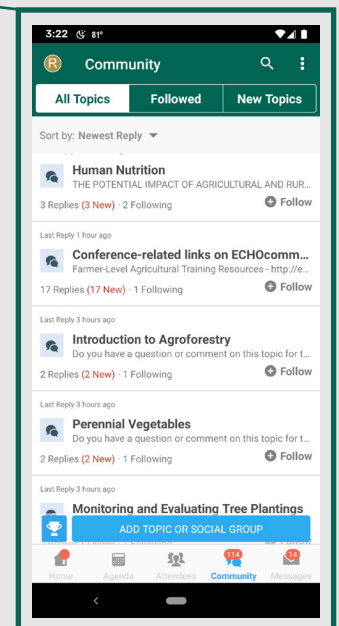

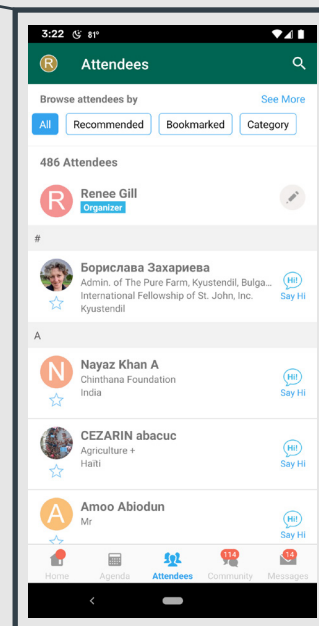

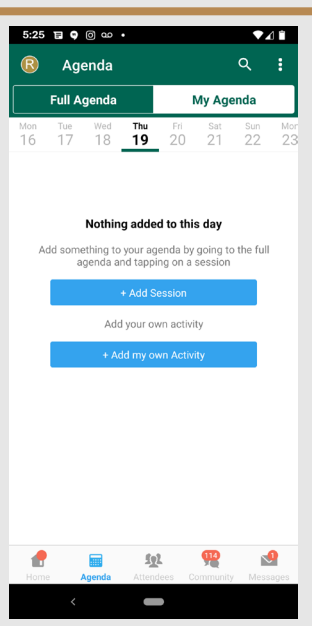

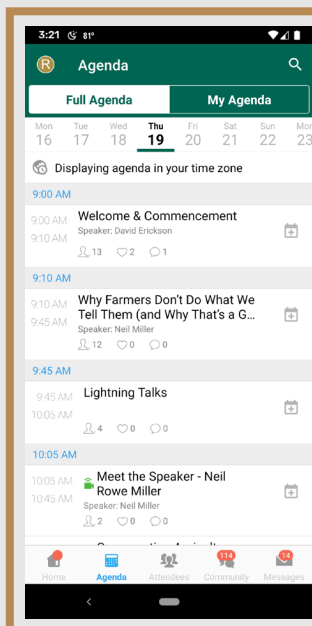

For those who would prefer to participate through a mobile phone, ECHO's Online Conference is easily accessed through Whova's Mobile App, which is available for both iPhones and Androids.

Whova's Mobile App is available for on-the-go access to ECHO's International Agriculture Conference.

Whova's Mobile App gives you access to all the video sessions and networking features available to attendees for the ECHO Conference.

**Register and log in today to take advantage of all the networking features. These are available right now for you to access!**

The **Agenda** is where you access:  
Plenary Sessions  
Lightning Talks  
Breakout Sessions  
If you are lost, go to the **Agenda**

**Attendees** is where you can connect with other participants.

**Community** is where you can ask topical questions prior to Plenary and Breakout sessions.
